ABOUT US

PT. Dwita Mekatama is a reliable and trusted partner, committed to fulfilling the needs of its customers since 2010. Originally established as CV. Dwita Mekatama and later transformed into PT. Dwita Mekatama in November 2013, we specialize in providing top-quality spare parts, stainless steel products, and comprehensive maintenance services.

As a dynamic and growing company, our mission is to deliver exceptional service, fast customer response, and consistent quality. We pride ourselves on our flexibility and ability to adapt to the evolving needs of our partners and clients, ensuring the highest standards in every project.

Over the years, we have earned the respect, trust, and loyalty of our customers, as reflected in their continued partnership and repeat business. PT. Dwita Mekatama is dedicated to building long-term relationships and exceeding customer expectations through integrity, professionalism, and a strong commitment to excellence.

VISION & MISSION

Vision

To become a trusted partner in providing innovative mechanical and electrical engineering solutions, tailored to meet every customer's needs and expectations.

Mission

- To support customers by providing high-quality spare parts and machine supplies according to their specific requirements.
- To design and deliver customized machines that align with customer specifications.
- To provide maintenance, periodic servicing, and troubleshooting to minimize machine downtime.
- To offer expert solutions in mechanical and electrical engineering.
- To increase productivity and effectiveness through collaboration, idea-sharing, and customer satisfaction.
